ABOUT MAIET, JAIPUR

Maharishi Arvind Institute of Engineering & Technology, Jaipur, established in 1999, is the first private engineering college in Jaipur, located in the heart of the city. The campus also houses Maharishi Arvind Institute of Pharmacy a Four Year B. Pharm & Two Year M. Pharm Programme, a Management Institute for a Two Year MBA degree Programme.

Besides, it has established three more Engineering colleges at Jaipur & Kota namely, Maharishi Arvind International Institute of Technology, Maharishi Arvind College of Engineering & Technology and Maharishi Arvind College of Engineering & Research Centre and has introduced new Programmes such as M.Tech. (Electronics/ Computer Science/ Civil/ Thermal/ Design) and Diploma in Engineering.

ABOUT CIVIL DEPARTMENT

The department of Civil Engineering at Maharishi Arvind Institute of Engineering & Technology started in the academic year 2013-2014. It aims to cater the need of society for qualified Civil Engineers with high standard of technical expertise and moral ethics.

Considering to the forthcoming requirements of qualified civil engineers, the Department is committed to produce world class engineers.

CONFERENCE OBJECTIVE AND THEME

The objective of (CICIV20)-2016 is to bring together research scholars, academicians, students and professional engineers under the same roof to share their respective knowledge, latest research results, scientific achievements advancements, latest trend and experiences on different aspects of Civil

Engineering. The aim of the conference is to provide a common platform for all the delegates to exchange new ideas and application experiences face to face, to establish new research relations. It will also serve as a unique opportunity for the young students to meet the engineering professionals and to know about the latest development in civil engineering.

- Advanced Construction Materials
- Structural Engineering
- Highway & Transportation Engineering
- Nano Concrete
- Concrete Technology
- Construction Management
- Precast & Pre Fabricated Structures
- Green Buildings
- Low Cost material
- Remote Sensing & Geographic Information System
- Environmental Engineering
- Any other topic related to Civil Engineering

ADDRESS FOR CORRESPONDENCE
