

Maharishi Arvind GROUP OF INSTITUTIONS

Approved by AICTE & PCI, Govt. of India
Affiliated to Rajasthan Technical University
Rajasthan University of Health Science
University of Rajasthan

Legacy in Education since 1975

❖ Recognition ❖ Exposure ❖ Wisdom

"All religions have saved a number of souls, but none yet has been able to spiritualize mankind. For that there is needed not cult and creed, but a sustained and all-comprehending effort at spiritual self-evolution."

Sri Aurobindo Ghosh

Vision

Any physical, verbal or mental action, just or unjust, initiated by a person, has five casual factors : body, instinct of doership, resources, efforts and the unforeseen.

Mission

To provide quality education to budding managers, technocrats and equip them with up-to-date knowledge of technical skills/attitudes. To instill professional ethics, competence and provide best placements in corporate and industry.

Explore. Discover. Learn

Maharishi Arvind Institutes welcomes you to the world of knowledge, insight, training and education.

The emerging changes in commerce, industry, administration in India calls for the amalgamation of the rich heritage of our culture with an apt understanding of practical applicability of modern day management.

Maharishi Arvind Institutes endeavors to educate and train future managers and technocrats. I am happy to be associated with the group, so that I can keep a tab on the progress and development of the future managers and technocrats undergoing training.

Swami Nischalanand Saraswati
Patron

“ Literacy is not a luxury, it is a right and a responsibility.
If our world is to meet the challenges of the twenty-first century
we must harness the energy and creativity of all our citizen ”

As I look ahead, I can visualize that the group will grow in pursuit of higher standards of teaching, research, and give shape to the envisaged dreams. We work to strengthen the concepts of the youth of the present and the coming generation. We provide the best craftsperson who mould the intellects of the learners in the best possible way keeping intact with technology and interest of the pupil. Ours is an eagle's eye approach which synchronizes learning between global processes, local experience and scenario of youth social entrepreneurship in the country. We at Maharishi Arvind evaluate the prevailing scenario and the perception of young person's awareness, communication and aspirations with regard to the above. Apart from imparting knowledge we focus on preparing our students to become responsible and disciplined adults who will contribute in building a brighter and prosperous future of our nation.

Smt. Bharti Prashar
Chairperson

In the swift changing era of information technology and globalizations, it is imperative to become a successful professional and a responsible human being. Maharishi Arvind Group has carefully trudded up the road of achievements, consistently striving for betterment and has carved a niche for itself in the education fraternity and industry. We aspire to provide individuals a pedagogy which install empirical knowledge in the aspirants and ensures a better future so that they find themselves competent enough to endeavour in the corporate sector

Sanjay Prashar
Director

Competing in an ambience of prolific technology, one needs to be a maestro of amalgamating knowledge within the spheres of learning and implementation. Maharishi Arvind group believes in providing a comprehensive learning experience to learners which will make education not only an integral part of life but a way of life itself. Our pedagogy pivots around providing quality and practical education to the young minds which will make them more competent to face the future challenges.

We aim to develop a total personality by making them imbibe the ethical and spiritual values.

Dr. Bharat Prashar
Director

Maharishi Arvind

INSTITUTE OF ENGINEERING & TECHNOLOGY
Sector 7, Madhyam Marg, Mansarovar, Jaipur

“As knowledge grows light flames up from within.....”

Sri Aurobindo

Our Profile

Galvanized by the indoctrination of Sri Aurobindo, The establishment of The Maharishi Arvind Group of Institute promulgated its arrival in 1975 in Jaipur. The institute elevates and upgrades various genres of meritocracy and technical educational development. Presently, the institute deals in 30 splendid courses at undergraduate and post graduate levels. The programs are

Approved by AICTE, Affiliated to Rajasthan Technical University , RUHS & University of Rajasthan. Like true leaders, we've always stayed ahead in education and technological advancement with constant innovations in the curriculum reaching a holistic approach contributing to the all round development of the students.

To instil professional ethics, competence and provide best placements in industry has always been our holy grail. The group provides umpteen numbers of opportunities to the young learners. Our qualified and committed faculty members who in togetherness with the college fraternities are entrusted the mammoth task of chiselling the lives of the future generations. Rising from the state of oblivion, awakening gradually and establishing your feet firm in the soil is what we as educators confront together with the learners. It's not in our nature to be satisfied with the present, but continuously chase the exceptional and set benchmarks for others to follow.

Infrastructure & Facilities

Library

The group has various libraries spread across all its branches having a rich collection of important books, journals, magazines and updates from corporate world and government reports on management and allied disciplines. The Libraries subscribe to more than 20 newspapers in English and Hindi, approximately 50 National & International journals, magazines and has a collection of over 25000 books. It also has one of the latest facilities like DELNET, through which the students can access to more than 2 million records.

Auditorium

The institute has two large well furnished auditorium for the purpose of conferences, discussions, seminars and presentations with a seating capacity of approximately 250.

Computer Centre

The institute is equipped with the latest variety of computing equipments having over 250 Dual Core, Licensed version of LINUX, WINDOW, NT and WIN 2000 server operating systems with 18" LED monitor for better visibility. All the labs are air-conditioned with 20 Mbps BSNL optical fiber Broadband and unlimited Internet facility is available to the students and faculty members.

Accommodation Facilities

The institute has separate hostel for boys and girls. Facilities for indoor games are also available. The institute strives to ensure quality food, disciplined & homely environment. The hostel however is available on first come first serve basis.

Cafeteria

The institute has a well furnished and modern Cafeteria with live environment, and provides hygienic and nutritious food and snacks.

Easily Accessible

All our campuses are one of the few centrally located Institutes of Jaipur, easily accessible through any means of transport

Green Campuses

Keeping our sensitivity towards the environment all our campuses are spread over a large area full of lush green lawns making it a peaceful and a pollution free environment

Wi-Fi enabled campus

The campuses are equipped with high speed Wi-Fi Internet facility.

WOMEN CELL

The women cell was reconstituted in January 2012, in accordance with the directives of Honorable Supreme Court of India to ensure safety, security and dignity of women at workplace.

Objective:

1. To create a congenial working environment which is free of sexual harassment or gender based discrimination for all women employees and students.
2. To heighten awareness and sensitivity to this important issue amongst all concerned.

Sexual Harassment Defined:

According to Supreme Court Judgment on Sexual Harassment, on the case of Vishakha vs. the State of

Rajasthan (August 1977), the behavior that can be considered as sexual harassment has been explicitly, legally defined as following- Sexual Harassment includes:

1. Physical contact and advances.
2. Demand or request for sexual favours.
3. Sexually coloured remarks.
4. Display of pornography.
5. Any other unwelcome physical, verbal or nonverbal conduct of a sexual nature.

The critical factor in sexual harassment is the unwelcomeness of the behavior. Thus, it is the impact of behavior on the recipient, rather than the intent of the perpetrator which is to be considered.

- Institute of Science & Management
- Institute of Engineering & Technology
- International Institute of Management

capital, Placements, industry interface and growth formed the basic parameters for the survey. Following a good response, we have introduced MBA in two of our campuses (MAISM, MASMS) in 2013

ADMISSION PROCESS

The Admission for the MBA Programme is done through a competitive examination CMAT conducted by AICTE Government of India/MAT/CAT.

ELIGIBILITY :

Graduation in any discipline.
(48% Aggregate [Gen.]) (SC/ST/OBC 43%)

AFFILIATION

We offer a 2-year full time MBA programme, affiliated to the Rajasthan Technical University and approved by AICTE.

PGDM (Equivalent to MBA)

Two year full time PG Programme in Business Management is Approved by AICTE is designed at par with MBA and is highly acceptable by the industry and the corporate world. This is open for graduates from any discipline, though some seats are reserved for company sponsored candidates who are exempted from participating in normal admission process. To facilitate a complete professional grooming of students, practical approaches are gaining greater acceptance over lectures, centric methodologies. An appropriate mix of lectures, case studies, training, seminars, simulation exercises, role-plays, business games, group discussions, etc. are used for effective teaching and learning.

The basic emphasis is on involving the students in learning to help them to relate concepts and theories to business requirements.

SEQUENCE OF THE COURSE

Functional Course

Training/ Project (2 Months)

Foundation Course in Specialized Areas

Specialized Training in Electives
(Finance/Marketing/HR)

How To Apply
